

Standard 10' Installation

EOS Adapter Kit (pole)
SKU: 178

EOS Scanner
SKU: 152

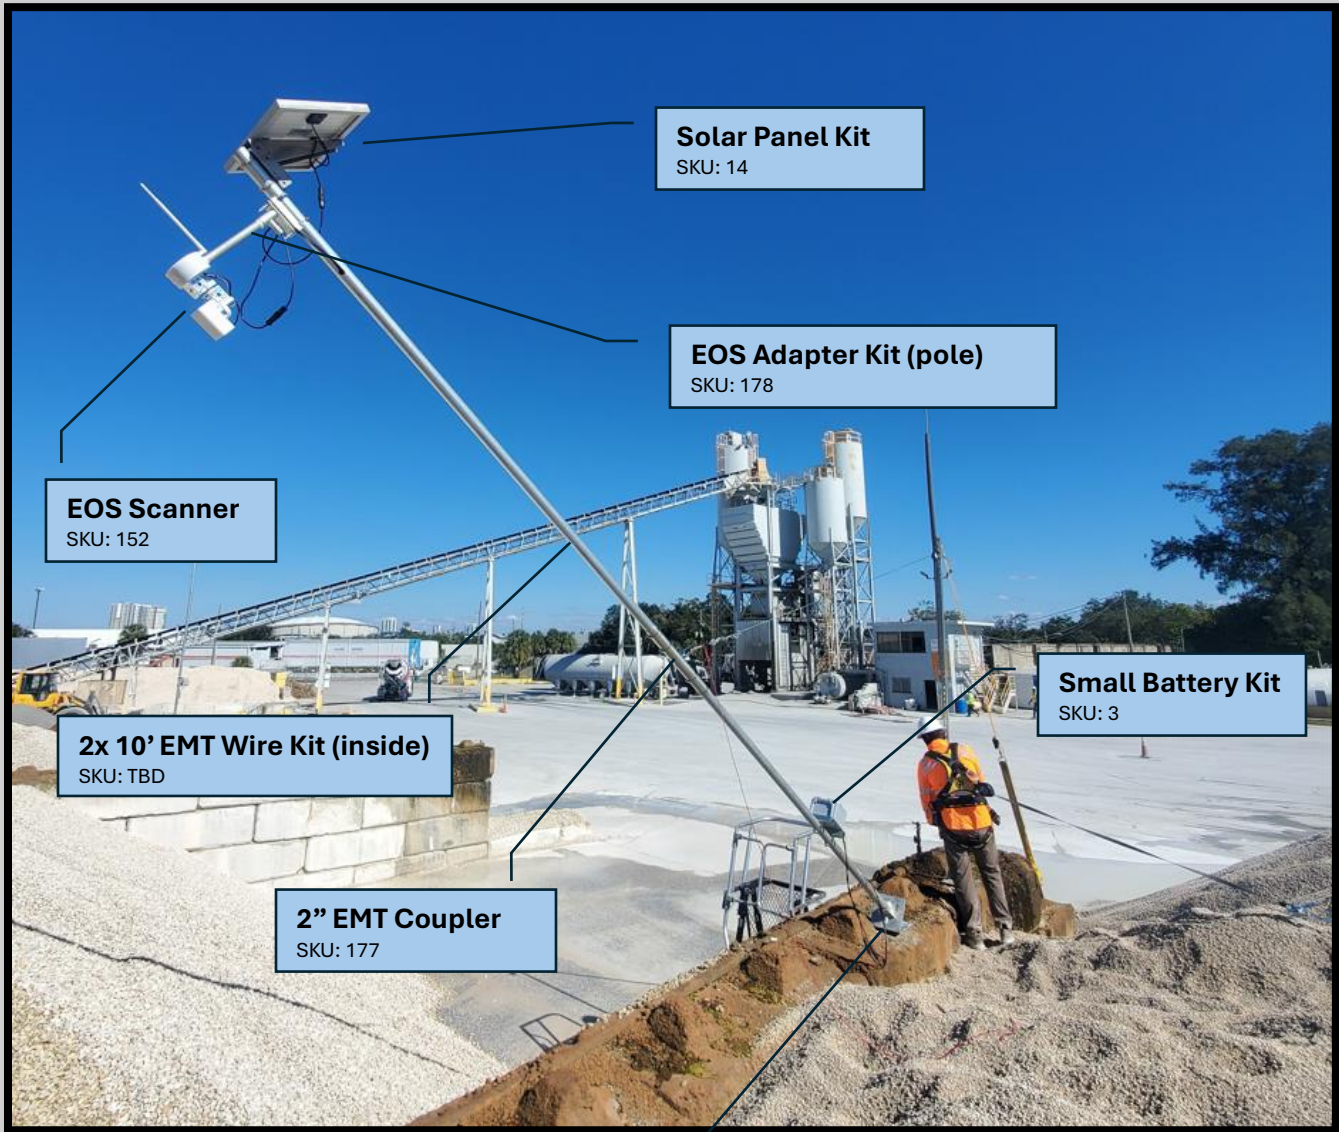

10' EMT Wire Kit (inside)
SKU: TBD

Solar Panel Kit
SKU: 14

Small Battery Kit
SKU: 3

1-1/4" EMT Mounting Base
SKU: 105

Standard 20' Installation

Solar Panel Kit
SKU: 14

EOS Adapter Kit (pole)
SKU: 178

EOS Scanner
SKU: 152

Small Battery Kit
SKU: 3

2x 10' EMT Wire Kit (inside)
SKU: TBD

2" EMT Coupler
SKU: 177

2" Hinged EMT Mounting Base
SKU: 176

Hyperion EOS LiDAR Scanner \$2500

SKU: 152

LiDAR scanner for use with the Hyperion volume scanning system.

Requires data plan:

1 scan per day	\$10/month
6 scans per day	\$35/month
24 scans per day	\$60/month
On-Demand scans	\$2/each

EOS Adapter Kit (pole) \$150

SKU: 178

EOS Adapter Kit (purlin) \$150

SKU: TBD

Hardware kit to adapt 3/4" NPT thread in the EOS scanner.

T-Joint \$100

SKU: TBD

90-degree adapter with 3/4" NPT thread on one side, and flat mount on the other.

Includes 12" x 3/4" NPT pipe to thread into scanner junction box.

T-Joint to Pole Adapter \$50

SKU: TBD

Adapt the T-Joint to a round pole.

T-Joint to Purlin Adapter \$50

SKU: TBD

Adapt the T-Joint to purlin.

1-1/4" EMT Mounting Base\$75

SKU: 105

Slotted receptacle for 1-1/4" EMT.

Includes 4 x 3-3/4" concrete anchors and associated hardware.

2" Hinged EMT Mounting Base\$300

SKU: 176

Slotted receptacle for 2" EMT. Hinged to allow raising and lowering of tall poles.

Includes 4 x 6" concrete anchors and associated hardware.

2" EMT Coupler\$100

SKU: 177

Slotted coupler for 2" EMT. Allows for joining of two 2" EMT poles.

Includes associated hardware.

LTE to Wi-Fi Router Kit\$650

SKU: 87

Wireless LTE to Wi-Fi router with long range antenna, pre-wired:

- CradlePoint IBR200 LTE Router in enclosure
- Outdoor Wi-Fi antenna

Requires data plan through Altamus (\$25/month) or a self-provided SIM card.

CradlePoint IBR200 LTE Router and Enclosure with Wire Harness\$500

SKU: TBD

Wireless LTE to Wi-Fi router pre-configured for Hyperion with power adapter to solar system.

Requires data plan through Altamus (\$25/month) or a separate SIM card.

Outdoor Wi-Fi Antenna with SMA Adapter\$150

SKU: TBD

Long rang antenna with adapter to CradlePoint IBR200 router.

Solar Panel Kit\$125

SKU: 14

12V solar panel and mounting hardware.

Does not include battery or charge controller.

10' EMT Wire Kit\$50

SKU: TBD

Two wires cut to length with waterproof connectors.

Small Battery Kit\$400

SKU: 3

Water-resistant box with one 6aH battery and charge controller.

Includes 1-1/4" pole mounting hardware.

Medium Battery Kit\$500

SKU: 8

Water-resistant box with two 6aH batteries and charge controller.

Includes 1-1/4" pole mounting hardware.
